**Physically & Spiritually Touching Lives**

November 23, 2021

My Goodness, where has this year gone. I know that for some of you who are reading this Thanksgiving Letter you can't wait for 2021 to be over. I understand and feel the same way but it might be for a different reason. I NEED A BREAK.

This year has been unbelievable for Harvest International. Since July Harvest has coordinated the shipping of 17 containers to seven different countries. The countries are Bahamas (5), Cuba (3), Dominican Republic (1), Guatemala (1), Haiti (5), Honduras (1), and Nevis (1). After the earthquake that destroyed Camp Mahanaim in Haiti, we were able to send earthquake relief items to that area. We assisted the Wray family in leaving Haiti to return to Canada for an extended furlough. Austin and Kaelee Truelove are still in Haiti and continue to keep an eye on the situation.

I am thankful that all our other missionaries (Randy & Debbie Bullock, Lloyd & Elaine Cooke, Dr. Don DeVito, Rev. & Dr. Daniel & Betty Edwin, Richard & Barbara Johnson, Dhan & Dolly Lalsee, Alan May, Rev. Audley McLean, Rev. Ray Nelson, Tom & Ginger Schmidt, Dr. Ron & Stacy Smith, Ryan & Lisa Toler, Austin & Kaelee Truelove, and Rod & Debbie Wray) are doing well. *Thank you Jesus for each one of these missionaries that you continue to empower to do Your will.*

I am extremely thankful for the news that I received on Sunday, November 21, 2021, that two of the 17 hostages that are still being held in Haiti have been released. When I shared the information with my wife Sandra, she said, "I hope it was the mother and the 8-month old baby."

I am also thankful to know that one of the two containers that has been held up in Port-au-Prince, with 250,000 meals onboard, has been delivered to Baptist Haiti Mission. I am praying to hear that the second container has been delivered as well.

That's a lot to be Thankful for. PRAISE THE LORD!

**HAPPY THANKSGIVING EVERYONE!**

God bless you,
